Just around the corner 2 kilometers

**From Christina Michalek to Everyone: 07:11 AM**

What happens if people in Singapore do not have a mobile phone to receive the text message?

**From Augustine Tee to Everyone: 07:13 AM**

They also receive a hardcopy letter to their registered place of residence.

**From Michael Tatley NZPhvC to Everyone: 07:21 AM**

Who is doing the usual work role when these health professional are deployed as vaccinators?

**From mbrabier to Everyone: 07:24 AM**

which vaccine are available? only ARNm?

**From Niamh O'Hanlon to Everyone: 07:25 AM**

Can I ask if other countries have pharmacists routinely managing vaccine stewardship in mass vaccination centres (if you have that set up) or is that open to any discipline?

**From Michael Tatley NZPhvC to Everyone: 07:26 AM**

Is there a protocol for 2nd dose when there has been a severe allergic reaction at dose 1?

**From mbrabier to Everyone: 07:27 AM**

In France, pharmacist could vaccine after an adequate training

**From Raymond Chua\_MOH\_Singapore\_07954E to Everyone: 07:28 AM**

The current protocol for those who have allergic reaction to dose 1 are asked to defer their second dose for now

**From Christina Michalek to Everyone: 07:29 AM**

In the US pharmacist involvement in mass vaccination settings varies.

**From Michael Tatley NZPhvC to Everyone: 07:30 AM**

Do you specify the nature of the severe allergic reaction? Objective symptoms only. Or questionable subjective symptoms also?

**From Augustine Tee to Everyone: 07:33 AM**

Thanks Alvin for the great presentation! and all the hard work too!

**From Mike Cohen to Everyone: 07:34 AM**

Agree. Singapore has developed a great program for vaccination against COVID-19.

**From Raymond Chua\_MOH\_Singapore\_07954E to Everyone: 07:35 AM**

We define severe allergy reaction if they have any 2 or more of the symptoms: (i) swelling of eyes or lips/mouth; (ii) shortness of breath or (iii) giddiness.

**From Alvin Lee to Everyone: 07:36 AM**

Thank you all. It's a team work :)

**From Augustine Tee to Everyone: 07:36 AM**

Thanks Mike! 25% of the population got their 1st dose, hopefully more on the way.

**From Raymond Chua\_MOH\_Singapore\_07954E to Everyone: 07:39 AM**

Hi Mike, We will love to learn more from NZ proactive way of monitoring whether they are fine or not after vaccination.

**From Niamh O'Hanlon to Everyone: 07:39 AM**

Raymond was thinking the same - impressive 3/7 and 7/7 active follow up

**From Brian Edwards, ISOP to Everyone: 07:59 AM**

In ISOP we have a group looking at coding of errors. Alem from UMC can be in touch with you Michael as she is project manager in our Med Errors Group

**From Hind Almodaimegh to Everyone: 08:00 AM**

I need to go. Thank you everyone for the great presentations. Hopefully we will be presenting next meeting

**From Michael Tatley NZPhvC to Everyone: 08:01 AM**

Be great to connect Alema and Brian  
Oops Alem! (Spelling!)

**From Christina Michalek to Everyone: 08:01 AM**

Thank you Hind, yes, for sure we want to hear from you at our next meeting. 🌸

**From David to Everyone: 08:02 AM**

IMSN has recently launched the international medication error reporting portal. we do plan to use this to encourage member countries and non-members to share their medication/vaccine errors for covid vaccines issues for analysis and sharing learning.

**From María José Otero to Everyone: 08:02 AM**

I'm so sorry. I have to leave the meeting. Thank you for the excellent presentations.

**From Christina Michalek to Everyone: 08:04 AM**

Be well Maria Jose ❤️

**From Michael Tatley NZPhvC to Everyone: 08:15 AM**

Interesting those VITT reports adding further weight to whether risk is present

**From Niamh O'Hanlon to Everyone: 08:17 AM**

Appreciate everyone sharing impressive work being undertaken with COVID19 vaccination - thank you. Niamh at Irish Medication Safety Network

**From Matthew Fried to Everyone: 08:17 AM**

Well done to all the presenters. Thank you so much for sharing today!

**From Raymond Chua\_MOH\_Singapore\_07954E to Everyone: 08:17 AM**

Thanks to all for the informative sharing

**From Dorothy Tscheng to Everyone: 08:17 AM**

All excellent presentations, thank you for sharing!
