

# Introducing #MedSafetyWeek

Federica Santoro,  
Uppsala Monitoring Centre

2022-06-30

# An annual medicines safety campaign

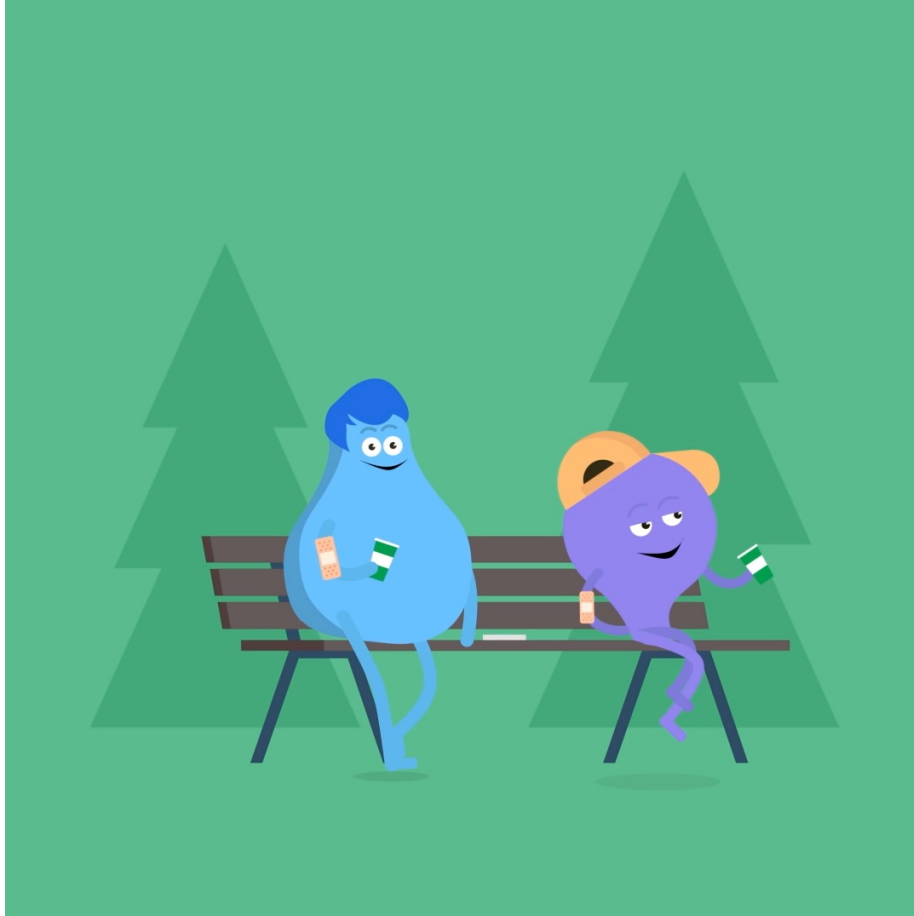

7–13 November 2022

## Theme

How patients and  
healthcare  
professionals make  
safety work

# On and beyond social media

**ISoP Egypt Chapter**  
November 10, 2021 · 🌐

📍 Pictures of our last campaign during the [#MedSafetyWeek 2021](#) in cooperation with اتحاد طلاب كلية الصيدلة جامعة القاهرة .

Addressing medication safety challenges demands multidisciplinary collaborations that bring together the tools, efforts and resources of different professionals to assess and manage ADRs jointly.
